ARTICLE II – PROPERTY SUBJECT TO THIS DECLARATION

This article describes the real property of which Addie's Place will initially be comprised and provides the method by which additional property may be added.

2.1 Initial Property. The property shown on the Plat.

2.2 Additional Property. Additional Property may be annexed to Addie's Place only by the following parties subject to the methods and restrictions set forth.

(a) Parties authorized to annex:

(1) Declarant: From time to time, Declarant has the right, but not obligation, to annex property (the Additional Property) to Addie's Place, if such property is adjacent to or abuts any property shown on the Plat. In determining if property is adjacent to or abuts the property shown on the Plat, roads separating the property may be disregarded. Declarant's right to annex is absolute regardless whether Declarant owns the property to be annexed or a third party owns same. Declarant's right to annex shall not terminate with the termination of Class B membership, but shall extend so long as Declarant owns at least one (1) Lot in Addie's Place.

(2) Association: At least a two-thirds (2/3) vote of all Owners entitled to vote is required for the Association to annex property to Addie's Place. If Declarant is record Owner of at least one (1) Lot in Addie's Place, the Association must, in addition, obtain Declarant's written approval to annex.

(b) Procedure: The party effecting an annexation of property shall record a Supplemental Declaration in the Public Records. The Supplemental Declaration shall be executed by the Declarant or the president of the Association. The Supplemental Declaration shall contain a legal description of the Additional Property. The Supplemental Declaration may contain special provisions applicable to the Additional Property only. Any special provisions, in the sole discretion of the party effecting same, may limit the application of this Declaration (in whole or part) to the Additional Property, or may impose different or additional covenants, restrictions, conditions and easements upon the Additional Property. However, no provision shall be effective to exempt owners of the Additional Property from equitably sharing common expenses. Upon recording the Supplemental Declaration, the Additional Property shall be a part of Addie's Place.

2.3 Subdivision or Replat of Lots: Owners may not subdivide or separate any Lot into smaller lots or convey any portion less than an entire Lot. However, this shall not prohibit corrective deeds or instruments nor shall it prohibit combing Lots by Declarant.

Subject to applicable municipal regulations, Declarant reserves the right to modify the Plat in order to 1) adjust Lot boundary lines or 2) make other adjustments to the Plat which do not materially affect any Owner other than Declarant, or with the consent of materially affected Owners. Owners shall not unreasonably withhold their consent and are deemed to have given consent if they do not object in writing to the proposed Plat adjustment within fifteen (15) days after receiving written request for consent.

BK: 3663 PG: 3691

Declarant, without the consent of other Owners, may replat an existing Lot(s) to a roadway, or other legal use or purpose, and upon such replat, the Lot shall no longer be deemed a Lot. Declarant may also establish additional easements on a Lot it owns without the consent of other Owners. Other than Declarant, no Owner has, or may have, or may grant a right of way to adjoining property over a Lot that is platted in Addie's Place.

ARTICLE III – ARCHITECTURAL REVIEW AND CONSTRUCTION REQUIREMENTS

To insure residential buildings in Addie's Place are harmonious, Declarant has, or will, create an Architectural Review Committee (hereafter ARC) to review and approve all plans for construction of Improvements in Addie's Place, or modification of same. After Turnover, the Board shall designate members of the ARC who shall be Owners, but need not be licensed architects except that the Board may designate licensed architects who are not Owners to serve on the ARC. The ARC shall not ever consist of more than three (3) persons.

(b) Professional Advisors: The ARC may, but is not required, to employ one or more professionals, including without limitation, architects, engineers or land planners, to advise the ARC regarding unique or complicated projects. Said advisor(s) may be paid a reasonable fee derived from application fees of the Owner whose project will receive professional advisement.

(c) Objectives: The ARC shall focus on without limitation the following:

(1) Preventing excessive or unsightly grading, indiscriminate earth moving or clearing of property, removal of trees and vegetation which could cause disruption of natural water courses or scar natural land forms;

(2) Ensure location and configuration of proposed improvements are visually harmonious with the terrain and do not unnecessarily block scenic views from existing structures or tend to dominate any general development or natural landscape;

BK: 3663 PG: 3692

(4) Ensure plans for landscaping provide visually pleasing settings for structures on the same, adjoining and nearby lots, and blend harmoniously with the natural landscape; and

(8) Assure all Lots are maintained in conformance with this Declaration, Guidelines and applicable Rules and Regulations;

(9) Establish, issue and collect fines for violations of the Declaration, Guidelines and or other Rules and Regulations as same pertain to matters under its authority;

(14) Keep Owners informed of ARC activities and changes to the Guidelines;

(15) Institute litigation when necessary to enforce the Guidelines, as well as compliance with Approved Plans, this Declaration and other Rules and Regulations as same may pertain to matters under its authority; or

(16) Perform other similar acts to promote and enforce the Guidelines, Approved Plans, this Declaration and the Rules and Regulations as same may pertain to matters under its authority.

(e) Enforcement Powers And Remedies. The ARC, including its agents, may enter any Lot or improvements to inspect same during construction to assure Approved Plans, Guidelines, this Declaration and Rules and Regulations are being followed. For purposes of this sub-section, the Association and Declarant (until Turnover) each have the same powers as the ARC. The intent is that all have standing to exercise the enforcement powers and benefit from the remedies. Prior to Turnover, Declarant shall have the final say if Association and Declarant disagree.

(1) A written warning will be issued to the Owner citing construction or modification outside Approved Plans, or other violations of the Guidelines, this Declaration and/or the Rules and Regulations. The Owner will have ten (10) calendar days to bring the improvements within compliance or cure violations. No further construction may take place until compliance is achieved. If the Owner does not comply after notice, then the ARC may, but is not required, cause the non-approved improvements and or violations to be removed or cured and the cost of same (plus a 20% administrative fee) to be charged to the Owner as a personal obligation and/or an Individual Lot Assessment. In the sole discretion of the Declarant, ARC or Association, an injunction may be pursued separately or together with a cause of action for damages. Should the Declarant, ARC or Association incur reasonable attorney fees, court costs or other costs of litigation, same may be added to any judgment against the Owner and become a personal obligation and/or Individual Lot Assessment. All remedies are cumulative.

(2) No delay, failure or omission on the part of the ARC, Declarant or Association in exercising any right, power or remedy herein provided shall be construed as an acquiescence thereto or waiver of its right to enforce. No person or entity may bring an action, legal or equitable, against the ARC, Declarant or Association for delay, failure or omission in exercising any right, power or remedy herein provided.

(f) Basis For Decision. In making its decisions, the ARC may consider purely aesthetic matters that in the sole opinion of the ARC will affect the desirability or suitability of the construction, such as, but not limited to: (1) quality of materials and workmanship, (2) harmony of external design or colors with surrounding Lots and previously constructed Improvements. This provision may be enforced by the easement holder or person or entity benefitting from the easements or maintenance, including without limitation the Declarant or Association.

To ensure consistency and to maintain values within Addie's Place, all homes constructed in Addie's Place shall initially be constructed by RWH unless RWH designates a Builder as also being eligible to build homes in Addie's Place. RWH may deposit the amount of \$500.00 as a "Construction Deposit" with the Association or the ARC prior to commencing construction of a home in Addie's Place. In the event that RWH makes a Construction Deposit related to a home, such Construction Deposit may be used for any damages to the Common Property or adjacent Lots caused by RWH in its construction of the home. 4.1 Maintenance of Exteriors. Each Owner of a Lot shall maintain and repair the exterior of all Improvements, including landscaping, in a neat and orderly manner and in compliance with this Article IV. If an Owner fails to bring their Lot or Improvements within compliance within thirty (30) days after being given written notice of violations determined to exist by decision of Declarant, Association or ARC, then the Declarant, Association and/or ARC may, but are not required to, enter the Lot and perform maintenance or repairs subject to any process of appeal for such violations that may appear in Section 720, Florida Statutes, as amended from time to time. The cost of same (plus 20% administration fee) may be charged to the Owner as a personal obligation and/or to the Lot as an Individual Lot Assessment. If the Owner fails to pay the charge in full within ten (10) days of the charge, a service charge of 18%, or the highest rate permitted by law, will be added and same may be collected or enforced by legal or equitable action. If the Declarant, Association or ARC prevails, that party's reasonable attorney fees, court costs and other costs of collection may be added to the judgment against Owner. Each Owner hereby grants to the Declarant, Association and/or ARC, to be exercised individually or jointly, together with their employees, agents, contractors or sub-contractors, an easement to enter the Lot to perform maintenance and repairs under the circumstances stated herein. No Owner, their family, guests, or tenants, shall commit or permit any nuisance, any immoral or illegal activity, or anything else that may be an annoyance or a noxious or offensive activity to the other Owners or their guests. For purposes hereof, any applicable noise or nuisance ordinance adopted by Okaloosa County for residential neighborhoods shall apply. Soliciting within Addie's Place is strictly prohibited without the prior approval of the Declarant or the Association. This section is not to be construed to prohibit usual construction activity, noise, vibration or dust created during normal construction hours.

Commercial vehicles (automobiles, vans, trucks) may be parked on a Lot only for the time necessary to make deliveries or perform services, and never overnight. However, if any such vehicle is owned by an Owner and used in his or her business, this provision shall not apply. Recreational vehicles, motor homes, travel trailers, campers, and other trailers may not be parked on the Lot other than on the hard surface driveway and not in excess of forty-eight (48) hours during such time as same is being loaded or unloaded and shall not under any circumstances be occupied overnight. At all other times, said vehicles must be kept in an enclosed garage. No repairs to and or maintenance of any vehicle on a Lot, Common Property or street right of way is permitted.

4.6 Animals/Pets. Only dogs, indoor cats, fish, indoor birds and small (weight under 10 pounds) non-venomous reptiles/amphibians may be kept on a Lot or in a home. No livestock or poultry of any kind may be raised, bred or kept on any Lot. Except for fish, no more than two (2) of each type of permitted animal shall be allowed on a Lot. No animal shall be kept on any Lot for any commercial purposes. All animals must be (a) duly licensed, if applicable, (b) not constitute a nuisance, and (c) must be kept inside or, when outside of the home or garage, on a leash always. All animal owners or caretakers shall be responsible to immediately collect and dispose of the waste and litter of their pets (including pets of their guests) from Addie's Place street right of ways, sidewalks, Lots and or Common Property. The Association reserves the right to adopt additional or different pet regulations in order to prevent nuisances from arising or continuing and to protect Common Property. Further, the Association reserves the right to have permanently removed from Addie's Place any animal that, in the opinion of Association, creates an ongoing nuisance or danger to other Owners, their families, guests and or tenants. The Declarant and or Association shall have the discretion to make exceptions to this section 4.6.

4.7 Preservation Areas. There may be in the future certain areas noted on the Plat or designated by Declarant or Association as being "Preservation Areas", "Conservation Areas", "Natural Buffer" or something similar (each being a "Buffer Area"). These areas are set aside due to governmental permit requirements or in furtherance of Declarant's land development plan for Addie's Place. The Owner of a Lot encumbered by a Buffer Area are responsible for ensuring said Buffer Area remains in its natural state. The natural vegetation in these areas shall not be cut, mowed, poisoned, disturbed, impacted or otherwise destroyed by any Owner or by the occupant of a Lot for any reason and no construction of any kind is allowed. No fertilizer shall be applied to any area contributing runoff to a Buffer Area. Those areas contributing runoff to a Buffer Area shall also be stabilized with permanent vegetative cover that is consistent with the Florida Yards and Neighborhood program requirements.

BK: 3663 PG: 3701

Any Owner who violates this provision, or where the tenant or other occupant of a Lot violates this provision, shall defend, indemnify and hold harmless the Declarant and Association for any losses, costs or expenses either may sustain due to said actions including, without limitation, reasonable attorney fees and court costs. Declarant and Association reserve the right to select their own counsel in the event of an indemnifying event.

4.8 Leasing. No homes, or portions thereof, shall be leased except for an initial term of twelve (12) months or greater. Rental of homes for an initial period of less than twelve (12) months is prohibited in Addies Place. All leases shall be in writing and shall make specific reference to this Declaration and state that the tenant is bound by and shall observe and comply with the provisions set forth herein. Upon request, Owners will supply the Declarant or Association with a copy of any lease. The tenant(s), as part of the express terms of the lease agreement, shall agree to abide by and adhere to the terms and conditions of this Declaration together with all Rules and Regulations and all policies adopted by Association. Owners leasing their home hereby agree to remove, at the Owner's sole expense, by legal means including eviction, his or her tenant should the tenant refuse or fail to abide by and adhere to this Declaration, the Rules and Regulations and any other policies adopted by Association. Notwithstanding the foregoing, should an Owner fail to perform his or her obligations under this Section, the Association shall have the right, but not the obligation, to evict such tenant and the costs of the same shall be charged to the Owner as an Assessment. The Owner will be jointly and severally liable with the tenant to the Association for any sum which is required by the Association as a fine hereunder or to affect such repairs or to pay any claim for injury or damage to Common Property caused by the actions of the tenant. Attorney fees and court costs incurred by the Declarant or Association in an eviction action shall be a personal charge against the Owner and as an Individual Lot Assessment.

(a) Ownership. The Common Property shall be owned and maintained by the Association for the benefit of all Owners.

(b) Conveyance. The Association is authorized to buy or lease real or personal property to be added to or deleted from the Common Property. Upon Declarant no longer owning a Lot in Addie's Place, its approval is no longer necessary. Membership approval is not necessary for the Association to convey personal property or grant easements on the Common Property.

(c) Dedication. If the county or municipal government requests the Association to convey title or dedicate the Common Property, or a portion thereof, to the public or to the County, the Association will be authorized to make such conveyance or dedication with the approval of Declarant, if prior to Turnover, and if after Turnover, with approval of the Members by majority vote. If any Owner other than RWH, including any guest, tenant, customer, licensee, agent, employee or family member of such Owner, shall damage or destroy Common Property intentionally or due to negligence or misuse, the Owner hereby authorizes Declarant and/or Association to replace or repair same. Any repair or reconstruction of the AP Stormwater System shall be as permitted or, if modified, as approved, if said approval is required, by the Northwest Florida Water Management District, or the Florida Department of Environmental Protection or other applicable regulatory authority, or if no approval is required then shall be done in conformance to any applicable best practices. Each Lot will be assessed a proportional share of the annual cost to maintain the AP Stormwater System as a part of the General Assessment. In addition, as part of the General Assessment, each Lot will be assessed an annual amount of \$100 per Lot (the "BWB Stormwater Contribution") commencing with the calendar year 2023, with a limit in the increase in said contribution to 5% per year, as a contribution to the cost to maintain the BWB Stormwater System, including reserves established for that purpose. Declarant shall assign all of Declarant's rights and obligations under the Rear Setback and Retention Pond Easement to the Association. Said Rear Setback and Retention Pond Easement sets forth certain rights and obligations related to the park and retention area as depicted on the Plat and the Rear Setback Easement as defined in the Rear Setback and Retention Pond Easement.

(h) Future Easements. Declarant reserves the right to impose further restrictions and to grant or dedicate easements and rights of way on any Lot within Addie's Place owned by the Declarant. In addition, Declarant hereby expressly reserves the right to grant easements and rights of way over, under and through Additional Property so long as the Declarant shall own any portion of Addie's Place.

ARTICLE VII - ASSOCIATION ORGANIZATION

Declarant will control the Association during the development and home construction stage in Addie's Place pursuant to this Declaration and the By-Laws. Upon termination of Class B Membership, Owners will be responsible for the continuation of the Association subject to rights of others in easements applying to the Land, rights reserved by Declarant herein or provided to Declarant by statute whether stated herein or not.

7.1 Membership. Every Owner is a mandatory Member of the Association. Membership is appurtenant to and may not be separated from title to any Lot.

7.2 Voting Rights. The Association will have two classes of voting membership:

(a) Class A. Class A Members are all "Members other than Declarant". Class A Members are entitled to one vote for each Lot owned.

(b) Class B. The Class B Member is Declarant, which shall be entitled in all matters pertaining to voting, votes equal to twice the number of Lots owned by Declarant from time to time. The Class B Membership will end and be converted to Class A Membership when the earlier of the following events occurs:

(1) Three months after 90 percent of the Lots in Addie's Place that are subject to this Declaration have been conveyed to Members other than Declarant; or

(2) Declarant chooses to terminate Class B membership and become a Class A Member, as evidenced by instrument to such effect, executed by Declarant, which is recorded in the Public Records.

7.3 Exercise of Vote. When more than one Owner holds an interest in any Lot, all such Owners shall be Members. However, the number of votes for that Lot will remain one (1), and the Members who are owners of that Lot must determine among themselves how the Lot's single vote may be exercised.

BK: 3663 PG: 3706

Corporations, partnerships, and other entities must notify the Association of the natural person who will be considered a Member of the Association for voting purposes. If the Association is not informed on how the voting rights of a Lot are to be exercised, that Lot's vote will not be counted.

7.4 Board of Directors.

(a) Composition. The Board will initially consist of at least three persons appointed by Declarant. Those persons will serve at Declarant's discretion and may be removed or replaced by Declarant. Board members selected by Declarant are not required to be Owners in Addie's Place.

Upon termination of the Class B Membership, the Board will consist of at least three directors, selected in accordance with the Articles and Bylaws. However, so long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots in Addie's Place, the Declarant shall be allowed to elect at least one member of the Board. Board members selected by the Owners must be Owners in Addie's Place

(b) Classes. Each director will be appointed or elected to one of three classes to be known as Class 1, Class 2 or Class 3. Directors will be elected by class to provide for staggered terms. If the number of directors is increased as permitted by the Bylaws, each new position must be assigned to a class with the intention that each class will have an equal number of directors to the extent possible under the circumstances.

(c) Term of Office. The initial term for the Class 1 director will be for one year. The initial term for the Class 2 director will be for two years. The initial term for the Class 3 director will be for three years. Subsequent terms for directors of any class will be for two years. However, directors will always serve until resignation, removal, or the election of their successors.

(d) Voting Procedure. At each Annual Meeting, the Members will elect directors to replace directors whose term of office is then expiring. Each Class A Member will have one vote for each seat to be filled and the Class B Member will have three (3) votes for each Lot owned by the Class B Member. No cumulative voting will be permitted. The candidate(s) receiving the highest number of votes will be declared elected. If there is a tie vote, the Class B Member will be given one additional vote and the opportunity to cast such vote to break the tie. The meeting will, in other respects, be conducted in accordance with the Articles and the Bylaws.

(e) Removal. Any director may be removed from office, with or without cause, by majority vote of the Members attending at a duly noticed meeting of the Members.

(f) Vacancies; Replacement of Directors. Any vacancy occurring in positions as director may be filled by a majority vote of the remaining Board members. If the remaining Board members do not constitute a quorum, a special meeting of the Association may be called by any officer or by any Member to elect new members to the Board.

BK: 3663 PG: 3707

(g) Compensation. Directors shall not receive compensation for their services unless approved by the Members. This will not prevent a Class B Member or an affiliate of a Class B Member from being compensated for management or other services.

7.5 Relationship to Articles and Bylaws. The Articles and Bylaws will govern all matters of the Association not set forth in this Declaration. The terms of this Declaration will prevail over any conflicting provisions in the Articles and Bylaws.

ARTICLE VIII - OPERATION OF ASSOCIATION AND BOARD

Most day-to-day decisions about the maintenance of the Common Property and enforcement of the Declaration are the responsibility of the Board acting on the Members' behalf. For those decisions requiring Members' approval, the Annual Meeting of the Members is intended to provide an opportunity for discussion.

(b) Quorum. Voting at a Board meeting requires the presence in person or by telephone conference call, of at least 50% of the Directors. Except as prohibited by law, action required to be taken by vote of the Board may be taken in the absence of attendance of a meeting by obtaining the written approval of the Board majority.

BK: 3663 PG: 3708

(c) Notices. Notices of all board meetings must be posted in a conspicuous place in Addie's Place at least 48 hours in advance of the meeting. In the alternative, if notice is not posted in a conspicuous place in Addie's Place, notice of each board meeting must be mailed or delivered to each member at least seven (7) days before the meeting, except in an emergency. If the Board desires to levy an Assessment at a meeting, the notice must include a statement describing the Assessment being considered. All meetings must be open to the Members, except for meetings permitted by law to be closed.

8.3 Recordkeeping. The Board shall keep, or cause to be kept, a record of all meetings of the Board and the Association. For each action taken, the record must state the vote and a description of the action approved, and, if applicable, the reasons why the action was considered necessary and a summary of the information on which the decision was based. The record must be available for inspection by any Member, except for records of closed meetings of the Board. Officers may be elected by the Board by secret ballot.

8.4 Fines. The Declarant may establish fines and determine the amount of same to be levied against Owners and Members for violations of this Declaration, the Guidelines or other Rules and Regulations. After turnover, the Board may appoint a committee of three (3) persons to perform the same functions. Establishment of fines shall be consistent with Florida statutory guidelines.

ARTICLE IX - ASSOCIATION BUDGET

The Board is responsible for the fiscal management of the Association.

9.1 Fiscal Year. The fiscal year of the Association will begin January 1 of each year and end on December 31. The Board must prepare an annual budget for each fiscal year.

9.2 Budget. The Association will provide each Member a copy of the annual budget or a written notice that a copy of the budget is available upon request of a Member at no charge. The copy must be provided within ten (10) business days of the request. The annual budget will estimate total expenses to be incurred by the Association in carrying out its responsibilities. The budget must include:

(a) The cost of wages, materials, insurance premiums, services, supplies, and other expenses for the rendering of all services required or permitted under this Declaration;

(b) Reasonable amounts, as determined by the Board, for working capital for the Association and for reserves;

(c) Fees for professional management of the Association (which may include Declarant), legal counsel, and accounting;

(d) Taxes, if the Common Property is taxed separately from the Lots;

(e) An estimate of revenues from the General Assessment.

9.3 Reserves. The Association may accumulate and maintain adequate reserves for working capital, contingencies, and replacements and such reserves may be included in the annual budget and

BK: 3663 PG: 3709

collected as part of the annual General Assessment. Neither Declarant nor RWH shall be required to fund Reserves. Extraordinary expenses not originally included in the annual budget will be charged first against such Reserves. Except in the event of an emergency or in the case of an extraordinary expense, Reserves accumulated for one purpose may not be expended for any other purpose. If there is an excess of Reserves at the end of a fiscal year, such excess may, if so authorized by the Board, be used to reduce the General Assessments for the following year.

9.4 Capital Contributions. In the discretion of the Declarant or Board, those funds collected pursuant to Capital Contributions described in Article X, Section 10.1(a) & (b) may be used for special capital projects or Reserve account projects. The Declarant or Board may, but is not obligated to, use Capital Contributions for unpaid general annual budgeted expenses, in whole or part, by General Assessment collections in the fiscal year of the Capital Contribution collection.

9.5 Preparation and Approval of Annual Budget.

(a) Initial Budget. Declarant will prepare the first annual budget.

(b) Subsequent Years. Budgets other than the initial budget will be prepared at the direction of the Board at least one month before the end of the fiscal year. The budget and the General Assessment must be adopted by Board majority. The Board shall cause a copy of the proposed budget to be sent to Owners at least thirty (30) days prior to the Board Meeting at which the budget is to be adopted.

9.6 Effect of Failure to Prepare or Adopt Budget. The Board's failure or delay in preparing or adopting the annual budget for any fiscal year will not waive or release an Owner's obligation to pay a General Assessment whenever the amount of such General Assessment is finally determined. In the absence of an annual budget, the Owners of a Lot shall continue to pay the General Assessment at the rate established for the previous fiscal period until notified otherwise.

9.7 Financial Reporting. The Board shall prepare an annual financial report for the Association as required by Florida law within 60 days of the close of the fiscal year and either provide each Member with a copy of the report or a notice that a copy is available without charge.

9.8 Capital Improvements. The Board shall determine whether capital improvements should be paid from General Assessments, Reserves, Special Assessments or Capital Contributions. If the cost of all capital improvements to be paid within a single calendar year totals more than 25% of the Association's annual budget, the capital improvements must be approved by majority vote of the Members. For purposes of the preceding sentence, any repair or maintenance of existing improvements will not be considered a capital improvement.

9.9 Reserves and Other Association Funds. All sums collected by the Board with respect to Assessments and charges of all types may be commingled in a single fund. Reserves shall be kept in a separate account.

9.10 Amendment of Budget. The Board may amend the budget during any fiscal year and increase the amount of the General Assessment for such year if it appears that there will be insufficient income to meet the obligations of the Association.

ARTICLE X – COVENANTS TO PAY ASSESSMENTS AND CAPITAL CONTRIBUTIONS

The cost to fulfill the Association's financial obligations shall be divided by means of Assessments on a per Lot basis except that said costs that the Board determines are attributable to a specific Lot shall be allocated against that Lot as an Individual Lot Assessment, and Capital Contributions (hereafter "Assessment/Capital Charges"). To ensure that the Association has a reliable source of funds, and to protect those Owners who contribute their equitable share, Assessments/Capital Charges are mandatory and are secured both by a lien on the Lot and the Owner's personal obligation.

10.1 Obligation for Assessments/Capital Charges. Each Owner covenants and agrees to pay for each Lot owned, whether by acceptance of a deed or other transfer instrument, and regardless of the expression or lack thereof in the instrument, the following Assessments/Capital Charges which amounts, are subject to change:

(a) Initial Capital Contribution: equal to $\frac{1}{4}$ of 1% of the Lot plus home purchase price (or home construction price including all Improvements related thereto in the case of a purchase of a Lot where the home/Improvements are to be constructed at a subsequent date, due and payable from and by the First Transferee from the Declarant or RWH at the time of the transaction closing. Where the home/Improvements are constructed separately subsequent to the purchase of the Lot, the required Capital Contribution shall be paid on completion of the home/Improvement. These funds may be used by the Association for general expenses or capital improvements. Any conveyance from Declarant to RWH is exempt from payment of an Initial Capital Contribution.

(b) Transfer Capital Contribution: equal to $\frac{1}{4}$ of 1% of the Lot plus Improvements purchase price due and payable from and by subsequent transferees at the time of the transaction closing. If a Lot is transferred without Improvements, then when Improvements are constructed, the additional Transfer Capital Contribution applicable to the cost of construction of said Improvement shall be paid. These funds may be used by the Association for general expenses or capital improvements. The following transfers are not subject to the Transfer Capital Contribution: 1) mortgage or lien foreclosure; 2) transfer in lieu of mortgage or lien foreclosures; 3) creating a trust for the benefit of the then current Owner; 4) creating tenancy by the entireties; 5) pursuant to a divorce decree or other court order; 6) conveyances by Declarant to RWH or to other transferees granted an exemption by Declarant.

(b) General Assessments for expenses included in the Association annual budget;

(d) Special Assessments for the purposes provided in this Declaration; and

(e) Individual Lot Assessments for any charges particular to that Lot.

10.2 Declarant Exemption. Notwithstanding any provision that may be contained to the contrary in this Declaration, prior to completion of Turnover (the "No-Assessment Period"), neither Declarant nor RWH shall be liable for Assessments against Lots owned by the Declarant or RWH ("Exempt Lots"), provided that the Declarant or RWH shall during such No Assessment Period fund any deficit in Operating Expenses, exclusive of amounts to fund Reserves, cost of capital improvements, and non-budgeted repairs or replacement, as specified in Chapter 720.308(1)(b), Florida Statutes. For the purposes hereof, a deficit

BK: 3663 PG: 3711

shall be computed by subtraction from said Operating Expenses (exclusive of the items described in the foregoing sentence) all assessments, Capital Contributions, income and other sums and income received or receivable by the Association. The deficit, if any, to be paid by Declarant pursuant to this Section shall be determined by looking at the period of deficit funding, with full accrual accounting but without regard to quarterly, annual or any other accounting or fiscal periods and without regard to inter-period allocations. The Declarant or RWH may at any time commence to pay Assessments to the Association for the Lots that they own and thereby automatically terminate their obligations to fund a deficit in the Operating Expenses of the Association at any time or from time to time elect again to fund deficits as aforesaid. When all Lots within Addie's Place are sold and conveyed to purchasers other than Declarant, RWH, or a Builder, the Declarant shall have no further liability of any kind to the Association for the payment of Assessments or deficits other than those that arose prior to such time. Should Declarant, in its sole discretion, elect to fund deficits caused by delinquencies or other matters which would not otherwise require deficit funds from the Declarant, or make excess contributions over the totality of the deficit funding period, such funds shall be considered a loan to the Association to be paid back to the Declarant by the Association. The Declarant's rights under this Subsection 10.2 shall not be construed as a guarantee of Assessments under Section 720.308(2), Florida Statutes.

10.3 Equitable Division of Assessments. The General Assessments and Special Assessments shall be assessed among all Lots as follows:

The General Assessment and Special Assessment will be payable equally among Lots whether vacant or improved. Each assessed Lot will be subject to a sum equal to the respective General Assessment or Special Assessment divided by the number of all Lots. Pursuant to Paragraph 10.2 of this Declaration, Exempt Lots may be exempt from payment of such assessments.

10.4 General Assessments.

(a) Establishment by Board. The Board will set the date or dates the General Assessments will be due, when General Assessments are delinquent, and it may provide for payment in monthly, quarterly, semiannual, or annual installments.

(b) Pro-ration Upon Sale of Exempt Lot. When an Exempt Lot is conveyed to an Owner subject to Assessments, only the portion of the fiscal year following the transaction closing shall the General Assessment be assessed on a daily prorated basis.

(c) Late Fee and Interest. The Board may impose a late fee for delinquent payments. Late fees shall be the maximum amount allowed by Fla. Statute Chapter 720.3085 (3)(a) as may be amended from time to time. Additionally, interest will accrue at eighteen percent (18%) per annum on delinquent amounts.

10.5 Special Assessments. In addition to the General Assessments, the Board may levy, in any fiscal year, a Special Assessment applicable as follows) Capital Improvements. Any capital improvement that has been approved in accordance with this Declaration) Emergency Special Assessment. By a 2/3 vote, the Board may impose a Special Assessment for any unusual or emergency maintenance or repair or other expense that this Declaration requires the Association to pay (including, after depletion of Reserves,

BK: 3663 PG: 3712

any unexpected expenditures not provided by the budget, or unanticipated increases in the amounts budgeted).

(a) Exemption. Exempt Lots will not be subject to Special Assessments declared while an Exempt Lot and will not be subject even if the exemption is lost prior to the date the Special Assessment is payable in whole or part.

10.6 Individual Lot Assessments. The Association may levy an Individual Lot Assessment against an individual Lot for the purpose of defraying, in whole or in part, the cost of any special services, costs or expenses attributable to that Lot, which charges are permitted by this Declaration. An Individual Lot Assessment may be levied on account of any legal expenses (trial or appeal) and or costs incurred by the Declarant, Association and or ARC in satisfying its obligations under an easement or in enforcing this Declaration, Rules and Regulations or Guidelines or in collecting fines or damages attributable to a specific Lot or Lot Owner.

10.7 Effect of Nonpayment of Assessments or Capital Contributions: Remedies

(a) Personal Obligation. All Assessments/Capital Charges, together with any late fees, interest, and costs of collection when delinquent, including reasonable attorneys' fees and court costs at trial or appeal, shall be the personal obligation of the person or entity who was the Owner of the Lot at the time the Assessment/Capital Charge was levied, and of each subsequent Owner. No Owner may waive or otherwise escape liability for the Assessment/Capital Charge by abandonment of the Lot) Creation of Lien. The Assessment/Capital Charge also shall be a continuing lien on the Lot against which the Assessment/Capital Charge is made, which lien is effective upon recording a claim of lien, but relating back to and having a priority as of the date of this Declaration. This lien in favor of the Association will secure the Assessment/Capital Charge that is then due and any that may accrue subsequent to the recording of the claim of lien and before entry of final judgment of foreclosure. The lien in favor of the Assessment/Capital Charge is subject to the subordination provisions of this Article.

(b) Lawsuit for Payment; Foreclosure of Lien. The Association may bring an action at law or equity against the Owner personally obligated to pay the Assessment/Capital Charge, or may foreclose the lien in a manner similar to foreclosure of a mortgage lien, or both. The Association, acting on behalf of all the Owners, shall have the power to bid for an interest in any Lot foreclosed at such foreclosure sale and to acquire, hold, lease, mortgage, and convey the Lot) Subordination of the Lien to Mortgages. The lien of the Assessment or Capital Contribution charge will be inferior to the first mortgage lien of any Mortgagee. The liability of the first mortgagee, or its successor or assignee as a subsequent holder of the first mortgage who acquires title to a parcel by foreclosure or by deed in lieu of foreclosure for the unpaid assessments that became due before the mortgagee's acquisition of title, shall be the lesser of: 1) the parcel's unpaid common expenses and regular periodic or special assessments that accrued or came due during the 12 months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or 2) one percent of the original mortgage debt.

(c) Other Remedies. To the fullest extent permitted by law, the Association may assess fines and suspend the voting rights and right to use of the Common Property by an Owner for any period during which any Assessment/Capital Charge against the Owner's Lot remains unpaid.

BK: 3663 PG: 3713

10.8 Certificate of Payment. The treasurer or manager of the Association, upon request of any Owner, shall furnish a certificate signed by a member of the Board, or by the manager if authorized by the Board, stating whether any Assessments/Capital Charges are owed by that Owner. The Board may establish a reasonable fee for such certificate. Such certificate will be conclusive evidence of payment of an Assessment/Capital Charge through the date of the certificate.

ARTICLE XI - INSURANCE AND INDEMNITY

Insurance is essential to protect the interests of the various Owners and to ensure that funds will be available for rebuilding after a casualty; however, because insurance costs may increase significantly or new types of coverage may become available, this Article gives some flexibility to the Board to select insurance coverage that is reasonable for the conditions that exist at that time.

11.1 Review of Coverage. The Board shall review limits of coverage for each type of insurance at least once every three (3) years.

11.2 Casualty Insurance. The Board shall be required to obtain and maintain fire insurance as appropriate. Endorsements for extended coverage, vandalism, malicious mischief, and windstorm should be obtained if available at reasonable cost. Coverage shall be in an amount not less than necessary to comply with the co-insurance percentage stipulated in the policy, but in any event not less than 80% of the insurable value (based upon replacement) of the Improvements constructed on the Common Property.

11.3 Public Liability and Property Damage. The Board shall obtain public liability and property damage insurance in such limits as the Board may from time to time determine, insuring against any liability arising out of, or incident to, the ownership and use of the Common Property and the activities of the Association as permitted by this Declaration. Whenever practicable, such insurance should be issued on a comprehensive liability basis and should contain a "severability of interest" endorsement that shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association, the Board, or other Owners. Such insurance must always name Declarant as an additional insured until 25 years after the date of this Declaration.

11.4 Director Liability Insurance. The Board may obtain liability insurance insuring against personal loss for actions taken by members of the Board in the performance of their duties. Such insurance shall be of the type and amount determined by the Board in its discretion.

11.5 Other Insurance. The Board shall obtain and maintain worker's compensation insurance if and to the extent necessary to meet the requirements of law, and such other insurance as the Board may deem prudent.

11.6 Repair and Reconstruction after Casualty. If casualty damages or destroys any of the Common Property, the Board shall arrange for and supervise its prompt repair and restoration. The Board shall obtain funds for such reconstruction first from any insurance proceeds, then from any Reserves for the repair and replacement of such improvements, and then from any Special Assessments that may be necessary after exhausting insurance and Reserves.

BK: 3663 PG: 3714

11.7 Indemnity of Declarant. In consideration of Declarant conveying the Common Property, or portion thereof, to the Association, the Association releases, indemnifies, and shall defend and hold Declarant, its officers, employees, related entities and agents harmless from any and all liability arising out of the Common Property or construction thereon and shall defend Declarant against all claims of any third party. Such indemnity and defense shall include attorneys' fees and costs incurred by Declarant at trial and on appeal. Declarant shall have the right to choose its own attorney(s).

ARTICLE XII - GENERAL PROVISIONS

This article sets forth rules of interpreting this Declaration, provides for enforcement, and sets forth the procedure to amend the Declaration.

12.1 Incorporation of the Land Use Documents. Any and all deeds conveying a Lot shall be conclusively presumed to have incorporated therein all the terms and conditions of this Declaration.

12.2 Release From Minor Violations. Without liability, Declarant, Association and or the ARC, shall have the right at any time, by written instrument recorded in the Public Records to release a Lot from minor violations of this Declaration, Guidelines or applicable Rules and Regulations including, without limitation (1) encroachments into easements, (2) encroachments over building restriction lines, and (3) construction of less than the required minimum square footage for the dwelling provided that the square footage is at least 90% of the required minimum.

The ARC may enforce this Declaration, Rules and Regulations or Guidelines as same relate to architectural, landscaping and or construction matters. The failure by any party to enforce any matter permitted herein shall in no event be deemed a waiver of such matter or of the right of such party to thereafter enforce such matter. Any of the named parties being the prevailing party in any such litigation shall be entitled to reasonable attorneys' fees and court costs at all trial and appellate levels.

Any dispute arising pursuant to benefits and obligations contained in this Declaration, Guidelines, Rules and Regulations or arising from the sale of Lots by Declarant to Owners, shall be determined by a judge and not a jury, with venue solely being in the First Judicial Circuit Court in and for Okaloosa County, Florida. All Owners specifically waive their right to a jury trial in any litigation arising out of this Declaration, Guidelines, Rules and Regulations or arising from the sale of Lots by Declarant to Owners. In the event the Declarant, Association or ARC is a prevailing party and incurs attorney's fees and costs in enforcing this Declaration, Guidelines, Rules and Regulations or arising from the sale of Lots by Declarant to Owners, those costs may be made a part of any judgment against the non-prevailing party and same shall be a personal obligation of the Owner and an Individual Lot Assessment. Prior to initiating any litigation, the parties shall submit their dispute(s) to non-binding mediation)

BK: 3663 PG: 3715

12.8 Mortgagee's Consent to Amendments. This Declaration contains provisions concerning various rights, priorities, remedies, and interests of the Mortgagees. BK: 3663 PG: 3719

exempted or permitted by Okaloosa County and the State of Florida and as initially constructed by Declarant in conformance to then applicable stormwater regulations and the stormwater management plan (the "Plan") that was included in the documents presented by Declarant to Okaloosa County in connection with obtaining the Development Order for Addie's Place subdivision.. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified as approved, by the NFWFMD.

(b) Each Lot shall be a part of the AP Stormwater System, which requires stormwater retention areas to be designated, constructed, and maintained by the Association, and operated in accordance with the Plan and the regulatory requirements of Okaloosa County and the State of Florida; and requires that Owners of a Lot construct Improvements and install and maintain landscaping in compliance with the Plan and the requirements described in Section 13.1(a) above. (f) In the event of termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the AP Stormwater System and the BWB Stormwater System must be transferred to and accepted by an entity which complies with Rule 62-330.310 F.A.C., and NFWFMD Applicant's Handbook Volume 1, Section 12.3, and be approved by the NFWFMD prior to such termination, dissolution or liquidation.

(h) Each Owner, at the time of construction of their building or structure, shall comply with the construction plans for the AP Stormwater System approved and on file with NFWFMD and as may be approved by the ARC.

13.2 Drainage Easements. A blanket non-exclusive easement and right to go on, over, under and through the ground within Addie's Place to maintain and to correct drainage of surface water and other erosion controls is established in favor of Declarant and Association. This easement includes the right to cut any trees, bushes or shrubbery, grade soil, or to take any other action reasonably necessary for health, safety or appearance or to comply with governmental requirements or for the effective operation of the AP Stormwater System.
